**In Celebrated Farce to Be Presented Wednesday Night at Fairmont.**

A young millionaire globe trotter returning home to find his bachelor quarters occupied by a burglar, who not satisfied with having appropriated the millionaire's name and getting himself engaged to a pretty society girl on the strength of it, is rapidly disposing of a fine collection of paintings gathered by the aforesaid millionaire from the art centers of the world. This is the situation when the curtain goes up on the first act of "Officer 666", the new farce which Cohan and Harris will present Wednesday night at Fairmont.

nesday night at the Grand opera house at Fairmont.

How the real millionaire regains possession of his home and name, and how he eventually wins the hand and heart of the sweet young thing who has plighted her truth to a member of the light fingered gentry under the impression that he is a simon pure scion of wealth and social position, is left to the telling of the players, that people the cast of the new farce, which is a big and popular laughing success.

In working out the story of the play the rich young man induces a policeman on the block to lend him his uniform, and while he is masquerading as a "copper" to catch the burglar, the real officer becomes the millionaire's cook. The burglar, in the meantime, is allowed to continue possession of the bachelor's quarters, but is eventually trapped and compelled to return his plunder. All these events are worked out with speed and precision during the three acts in which Augustin MacHugh, the author of "Officer 666", takes to tell the story that is said to be chock full of surprising situations, smart chatter and snappy epigrams.

Trolley cars will leave Fairmont for Clarksburg immediately after the performance.

**IT CURED HIS BOY'S COUGH**

**NOW L. O. LINDAMOOD IS TRYING A BOTTLE HIMSELF.**

In Fact He Has Never Seen Anything as Good as Bear's Emulsion.

John D. Bear, Elkton, Va.  
Dear Sir:—My little boy (nine years old) had been very much complaining all one fall and winter; no appetite, high fever, very sickly look and a hacking cough.

I tried to get many home remedies but without any relief. I got several patent remedies and still he got no better. On hearing of Bear's Emulsion I tried a bottle and have never seen any one improve as he did. It was no time before the cough was gone and he strengthened up and his appetite improved. I am now taking a bottle myself and feel it is doing me a great deal of good.

Bear's Emulsion is undoubtedly the best tonic I ever saw.

Very respectfully,  
L. O. Lindamood.

Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effective and is pleasant and safe to take.
